In the Fort4Fitness and in life, there's only one day you're in control of: today. We're proud to be with you at the start line today and all days. #RUNWITHPNC

#### **Contact Rick Smith**

Relationship Manager 260-461-7404 rick.smith@pnc.com pnc.com

#### Get Prepared for Race Day!

Know the start time of your race and the Start Line location.

Don't forget your race bib! Fill out the important medical information on the back and pin it in a visible location on the front of your race day clothing. The front of your bib also tells you which corral you will be in. Please wait until your corral and wave are called before entering.

Go to visitfortwayne.com to plan parking.

Review street closures at fort4fitness.org to figure out how to get close to the Start Line.

Checking your gear? Gear Check opens at 7:00 AM inside Parkview Field. Use the gear check tag from your race bib and attach it to the bag that contains your belongings.

Grab a cheer sign at the Festival Expo from the PNC booth!

Know the course amenities: water, first aid, and entertainment.

As you approach Ewing Street and the final stretch, enjoy your last moments coming into Parkview Field and finishing around home plate!

You did it—wave to the cameras!

Accept your well-deserved finisher medal from a volunteer.

Visit a concession stand for your free Flight by Yuengling, Michelob Ultra or soda. Stop in at Post-Race Food in the Lincoln Financial Event Center and listen to the music at the Post-Race Party as you recover from your race.

Get your race results! Scan the QR code on your bib.

Thank every volunteer you see!

#### **GOOD LUCK!**

SummitPTFW.com

The Fort4Fitness Kit's Club is designed for kids ages 4-14 and promotes exercise, wellness, and heathly lifestyles for kids and their families through a variety of unique training programs and events.

The goal of Kit's Club is for each participant to complete a marathon distance throughout the summer by logging miles of walking, running, biking, swimming, playing baseball and more. The program's completion is celebrated at the Kit's Club Final Mile at Parkview Field with kids receiving a finisher medal as they cross home plate.

Thanks to contributions from individuals through the registration process, we were able to provide more than 200 scholarships to kids that would otherwise not be able to participate in the Kit's Club. Congratulations to everyone involved on a job well done!

#### Your health is as important to us as it is to you.

### That's why Do it Best ensures the wellness of our employees through our many health benefits:

Premium-free Health Insurance | Vision & Dental Coverage | Wellness Incentives | Health Club Reimbursement Employer HSA Contributions (up to \$2,000 per year) | Generous PTO starting at 17 days in your first full year to encourage a balanced lifestyle

Our new location on the Electric Works campus provides us additional opportunity to accommodate active lifestyles. Join an outdoor morning yoga session before work or take a walk through the Fort Wayne Farmers Market along Dynamo Alley. Electric Works offers many events and activities that promote health while encouraging a sense of community.

#### A Letter From Mayor Henry

Dear Fort4Fitness Participants,

Welcome to the 16th Annual Fort4Fitness Fall Festival! For the past 16 years, Fort4Fitness has hosted a fantastic annual Fall Festival event that attracts not only Northeast Indiana residents, but people from all across the country, and even overseas. More than 4,000 participants are expected to take part in the 4 Mile, 10K, Half Marathon and Triple Crown events, plus the Final Mile race for kids and older adults.

Fort4Fitness is committed to wellness, fitness, and healthy living by providing signature events year-round. The Spring Cycle, Summer Sunset Relay, Fall Festival, and Winter Wonder Dash all cater to a diverse group of people. Some participants are just beginning their fitness journeys; others use F4F events as part of their continuous training. Many set their fitness goals around the Fort4Fitness schedule, and others come out just to experience a fun local weekend event. Participant ages range from one year old to 100! These events truly are for everyone.

Fort4Fitness also takes pride in the assets that the City of Fort Wayne has cultivated. The races are tailored for safety and fitness, yes, but also to showcase our vibrant downtown, Parkview Field, Fort Wayne parks and trails and historic neighborhoods all of which help make Fort Wayne a great place to live, work and play.

The partnerships between Fort4Fitness and local businesses and organizations are also designed to benefit the community, providing programs to encourage wellness within corporate companies as well as providing fundraising platforms for nonprofits.

Finally, I would like to thank the hundreds of volunteers, corporate sponsors and organizers who have worked countless hours to ensure the success of this community festival of health. On behalf of the residents of Fort Wayne, I commend you for your participation and your commitment and wish all of you well!

Sincerely,

Thomas C. Henry

Mayor of Fort Wayne

#### Note from Our Founder & Board Chair

To Participants, Volunteers, Spectators, and Friends of Fort4Fitness:

Welcome to the 16th Annual Fort4Fitness Fall Festival!

As our country "returns to normal" from recent COVID-19 challenges and resumes its necessary focus on longer-term health and wellness challenges, community fitness events that bring people together in pursuit of healthier living have never been more important. For fifteen years, Fort4Fitness – with support from our sponsors, volunteers, board, staff, City of Fort Wayne, and our hundreds of thousands of participants and spectators – has been hosting such community fitness events. Along with providing a year-round platform for participants to work toward and accomplish their fitness goals, we hope that our Fall Festival, Spring Cycle, Summer Sunset Relay, and Winter Wonder Dash demonstrate the deep commitment to healthier living throughout Greater Fort Wayne.

I would like to highlight and thank all who have given their time and treasure to make Fort4Fitness's four signature events possible:

- The generous sponsors you see in this program and on our website.
- Event chairs Jade Kelsey & Jacob Torkeo (Spring Cycle), Heather Leas & Tara Cahill (Summer Sunset Relay), Brent Harring & Jenn Sylvester (Fall Festival), and Brad Altevogt (Winter Wonder Dash) – and each of the members of their great committees. F4F board members and our friendly volunteers who dedicate so much time to F4F.
- F4F staff Executive Director Satin Lemon, Race Director Zac Compton, and Community Relations/Marketing Coordinator Sami Blair.
- The city of Fort Wayne and its terrific public safety and healthcare professionals.

Finally, I would encourage participants, spectators, and all members of the community to continue to seek out ways to improve their fitness. Fort4Fitness will continue doing its part, hosting a great fitness event each season. We look forward to seeing you and cheering you on this weekend, and in the years ahead as we together continue to bring "fitness to the fort."

Respectfully,

Tim Kenesey F4F Founder and Board Chair

<u>Upcoming F4F Schedule</u> Winter Wonder Dash 2K & 5K: November 17-18, 2023 Spring Cycle: June 1, 2024

#### Volunteer Thank You

It takes more than 1,000 volunteers to make Fort4Fitness possible. We would like to say thank you to everyone who has given their time and talent to help make the Fall Festival happen. Our volunteers do so much to help us continue our mission of "inspiring healthy living and fitness throughout the Greater Fort Wayne region." Please give a big "thank you" to anyone you see wearing a volunteer shirt this weekend.

Fort4Fitness would also like to thank the Fort Wayne TinCaps for, once again, being our amazing hosts. The home plate finish at Parkview Field is something we hope our participants always remember! To everyone who helps make the Fort4Fitness Fall Festival a success, thank you!

LFG-FFF23-ADV001\_Z01 LCN-3210413-082020 Lincoln Financial Group is the marketing name for Lincoln National Corporation and its affiliates. @2023 Lincoln National Corporation.

The 2023 Silver Fox participants successfully kicked off at the Barr Street Farmer's Market at the beginning of the summer and will wrap up with the Final Mile taking place on Friday, September 29th, at the Fort4Fitness Fall Festival.

The Silver Fox Club lasts all summer and is designed to motivate seniors to get out and get moving. Seniors racked up miles at the Kick-Off and walking at many of the tours, cardio drumming, and a TinCaps game. The Silver Fox Club is open to anyone over 50. The goal is to log the miles they walk or jog throughout the summer to reach a marathon distance of 26.2 miles (or more) by the Final Mile!

# Social Engagement

#### Sports. Education. Environment.

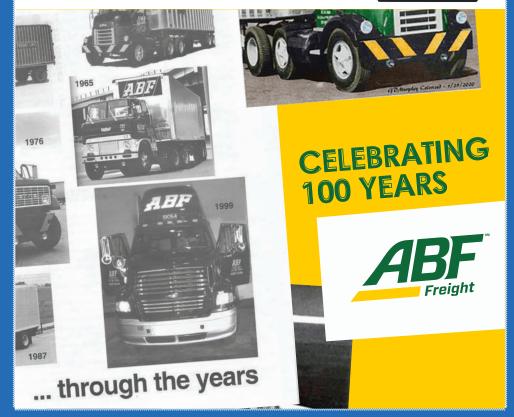

Trelleborg Sealing Solutions is committed to supporting local communities through sports, education and the environment.

Sports and physical activity play a positive role in communities and lives across the globe. Sports are also a powerful tool to strengthen social ties and promote sustainable development. Trelleborg Sealing Solutions is proud to be a community partner and sponsor of the 2023 Fort4Fitness event.

Find more information at www.tss.trelleborg.com.

#### **Safety Information**

#### Fort4Fitness makes your safety our priority.

We work with a number of organizations and individuals to make your Fort4Fitness experience the best it can be. This support includes:

- Intersections and cross streets are marked and barricaded during the race to ensure the course is closed to vehicle traffic during the race times.
- Water stations are strategically located throughout the course. Your course map shows these locations. Each water station provides you access to hydration and first aid.
- Medical responders and first aid support are staffed throughout the event. Trained medical personnel will monitor the event both on the course during your run/walk as well as at the Finish Line at Parkview Field.
- Local police and volunteer course marshals provide added support during the races at intersections along vour route.
- There are designated course captains (on bicycles) who patrol the course throughout the race events. They have direct communication with the Command Center to help respond to any emergency.
- There are vans designated as support vehicles who will follow the course route and provide transportation to any participants who may need a return ride to Parkview Field.
- Local amateur radio operations volunteers provide added communication support on the Fort4Fitness course. They will be wearing green vests to assist in identification.

There are events that could occur that are outside of the control of Fort4Fitness. Examples of these types of events include weather emergencies and public emergencies. We plan for these contingencies as well. For this reason, Fort4Fitness reserves the right to cancel, delay or change the race to a nonscored event in case of extreme weather or other conditions affecting the safety of the participants.

If a weather emergency or public emergency occurs, participants will be notified. This notification may consist of changing the flags at the water stations, verbal notification from course marshals, text updates and emergency vehicles, and through the use of the Emergency Management weather alerting sirens. You should follow the directions provided by public safety officials and race staff and volunteers.

Flag Warning System: There will be a simple flag color system along the course to help warn participants of weather related or course related problems. Flags are located at each water station along the course.

Everything is fine, proceed normally.

Race has been cancelled due to extreme weather or course emergency. An event such as lightning, tornado or human disaster has or is occuring. All participants need to seek

Please be aware of the following flags:

Go!

Stop & Seek Shelter!

NO FLAG:

**BLACK FLAG:** 

GREEN FLAG:	Go!	Everything is fine, proceed normally (will be used to RESUME race after a delay).
YELLOW FLAG:	Caution!	The heat index is at a point that participants should slow down and drink plenty of water OR possible storms are approaching and participants should begin to plan accordingly.
RED FLAG:	Danger!	Storms or heat have disrupted the race. Participants should slow down and drink plenty of water. Official timing of the event has stopped and no awards will be given out.

shelter immediately.

#### Discover better care at Parkview.

At Parkview, we believe caring for our community means going beyond providing clinical expertise — helping patients find whatever they need most along their health journeys. Whether it's inspiration to take control of your own well-being. Strength to keep getting better each day. Or compassion from caregivers who give *so much*. We'll be here. Because we're dedicated to providing better care every step of the way.
